## Welcome

The Sugar Club's wine list has been created and compiled by our Sommelier Ann Lau. The idea behind its structure is to classify wines in the same way that our chefs visualise our food – by their innate characteristics of flavour and texture.

We have created 4 categories: Garden – wines with a floral or herbaceous character; Sea – those with a pronounced mineral quality; Farm – wines with bolder earthy characteristics; and Planet – biodynamic and certified organic wines.

We truly hope you will enjoy our wine list as much as we have enjoyed creating it.

Cheers

*Peter Gordon*
